30th June 2017

Hello everyone!

I hope those of you celebrating Eid had an amazing time at the weekend. It is great to see all the children in their Eid outfits today—they look so smart and very grown up.

I hope you join us for the Eid Mela after school today organised by the Friends of Thornton and help us to raise money for both the school and our nominated Charity, Islamic Relief. We are looking forward to seeing you all—please collect your children and come into school through the dining room where we have our Food Hall. You can then enter the central area of the school where activities are going on until 5.30 pm.

Finally a big Thank you to all the parents who came to join in Den Day—the children had a great time whilst raising money for Save the Children! More details next week's newsletter.

Have a great weekend everyone!

Sue Simmons, Headteacher.

## Welcome to Sladefield

On Tuesday 27th June Sladefield Year 2 children joined our Thornton Year 3 Children for an assembly. The theme for the assembly was Courage. We showed Sladefield how our assemblies are normally run and we also showed them how we celebrate achievement with the gold and silver boxes. It was a fantastic experience to get the children together and build on our partnerships between both schools.

Sladefield will be returning next week to visit our Library and experience a breaktime in our fabulous playgrounds.

Assistant Headteacher—Lower Phase

## Snapchat

It was highlighted to the school that the new update for "Snapchat" allows the application to track your location every time you access it.

Why you should be concerned? E.g. If you ever lose your phone or it gets stolen, then the other person has access to most of the locations you have visited, including your home. Therefore for your own and your families safety please use the link below to disable this feature on any family devices.
