

Home Learning Week 1 – 20th April 2020

Y4

Click on the links whilst holding down the Ctrl key, they will take you to the website you need.

A little message from all the staff in Year 4.

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> Working on Times Table Rockstars will support your child with their fluency of multiplication and division facts. Log on to MyMaths and complete different activities set by your teachers each day. BBC have a range of videos to explain different maths concepts and maths games to support children's knowledge. Topmarks is a maths website full of different games. Focus on addition and subtraction for this week. The Oxford Owl website will help you to understand different maths concepts. 	<ul style="list-style-type: none"> Our new class novel is the 'Demon Dentist' written by David Walliams. Visit his website and chose an activity to complete. Log on to Reading Plus and read one book for 15 minutes a day. Site Code: rpthorn10 Create a comic strip. You can design your own characters, setting and problem. Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation. Listen to Chapter One of the 'Demon Dentist' audio book.
Weekly Spelling Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> Practise the Year 3/4 for Common Exception words. Practise your spelling on Spelling Frame Use fronted adverbials to start sentences. Spin the wheel and complete the sentence. Look on the BBC website to remind yourself of the spelling patterns we need to use in Year 4. 	<ul style="list-style-type: none"> Imagine you have discovered a treasure map. Write a diary entry about your journey to find the treasure. What dangers will you face? Who will help you on your journey? Watch the video of The Night Zoo on the Literacy Shed. Complete the different stages to plan and write your own story adventure story. Visit the Dudley Zoo website and research different species of animals. With your new knowledge, write a non-chronological report about the animals.

Six Steps to Success – choose an element to do throughout the week

Six Steps to Success aims to provide opportunities for your child to gain a better understanding of their new Topic that they will be studying. Learning may focus on the different areas of the curriculum and provides your child with the flexibility to lead their own learning. They are in control of the direction they wish to follow on their journey to make new and exciting discoveries.

(A copy of the six steps to success can also be found in your child's diary.)

	How did the Egyptians make a mummy ? Write instructions to show your understanding.
	Develop a new skill, like finger knitting, or start a new hobby. Try to create something new at home.
	Explore the Tate Museum for kids and research or make something incredible. You can even upload your artwork to their website.
	Stay fit and keep active at home by completing Joe Wick's P.E lessons every morning at 9am.
	Listen to Chapter One of the 'Demon Dentist' audio book.
	Chose something you like to do. Maybe make a den in your bedroom and read a book, play football, create some art, or try baking a cake.

Additional learning resources parents may wish to engage with

[BBC bitesize](#) have lots of videos and lessons for all areas of the curriculum.

There are lots of [science experiments](#) you can do at home.
