Hello everyone

This week has been a very exciting one as **the children swapped classes on Wednesday morning** and were able to meet their new class teacher for next academic year.

**Year 6 explored their new secondary schools** too and are now enjoying their remaining few weeks at Thornton.

On Thursday, we held **a special celebration assembly to share the amazing Science projects** created by the children as part of this year's science week competition.

Please take a moment to look on the school's 'X' account (QR code at the top of this page) to see some examples of the outstanding entries this year. A very BIG well done to all those children who took part, you should be very proud of yourselves!

We still have lots of things planned for the next two weeks, so please make a note of these important dates:

**Monday 7th July—Year 3 Sports Day in school**

**Monday 7th July 8.45-9.30am—Time to Talk coffee morning for all parents/carers**

## Thornton's Science Week

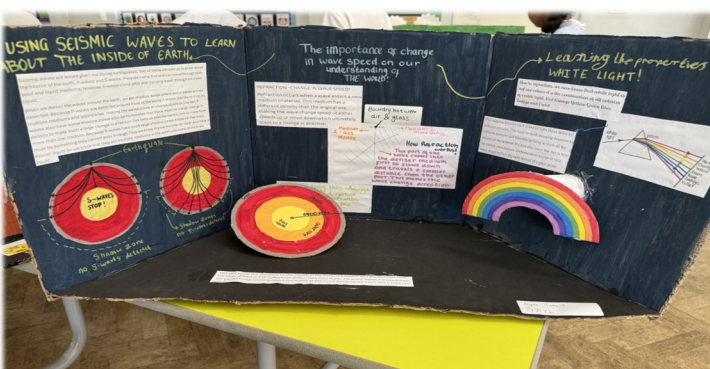

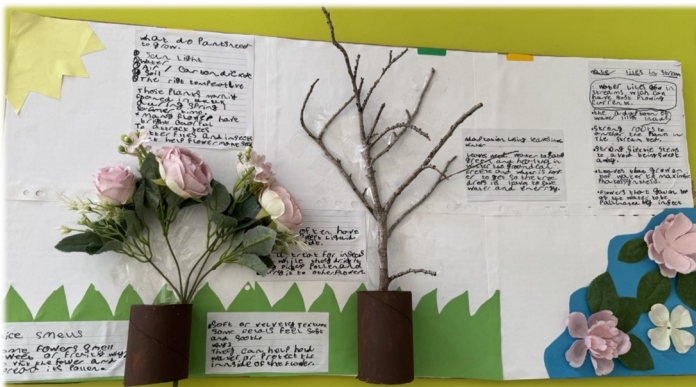

As part of Thornton's Science Week, the whole school took part in the '**Biscuit Dunking Challenge**'. Thank you to all the parents and carers who were able to join us. We are now able to announce which classes had the highest number of dunks for each biscuit.

Biscuit	Number of Dunks	Winning Class
Malted Milk	15	6ZB
Bourbon	24	5TR
Shortcake	19	6ZB

Children were also encouraged to create a **science project** as homework based on the theme **Change and Adapt**. We were impressed with the number and quality of project entries. It was evident the children had clearly put a lot of effort in with the help of family members and friends, thank you. Here are some of our top entries.
