

Creative Homework - Year 3

Flow - Spring 2

C		Create a model of the water cycle or a river.
R		Use kiddle to research these questions: What is a river? What different rivers are found around the world? What animals or plants can be found close to a river?
E		When times are stressful, our canals and rivers can be a haven of peace and calm. Even if you can't get to the towpath, our virtual visits bring waterside tranquillity right into your living room. Virtual visits Canal & River Trust Canal & River Trust
A		Use kiddle to find a picture of a water lily. This is an aquatic plant. Can you sketch a picture of the water lily in the river?
T		Watch the Newsround video below called 'What is the problem with plastic?' Think about what we can do to help. What is the problem with plastic? - CBBC Newsround
I		Create a PowerPoint about anything you have learnt about from your research and art activities?
V		Create your own glossary. Find the definition for the following words: <i>source</i> <i>tributary</i> <i>river channel</i> <i>floodplain</i> <i>riverbank</i> <i>mouth of the river</i>
E		Explain in your own words why it is important to keep the rivers clean.
