## Year 3

During the science lesson, children worked in small groups to observe, discuss and compare different types of **rocks**.

They carefully examined each rock, discussing its appearance, colour, texture, hardness and other physical properties.

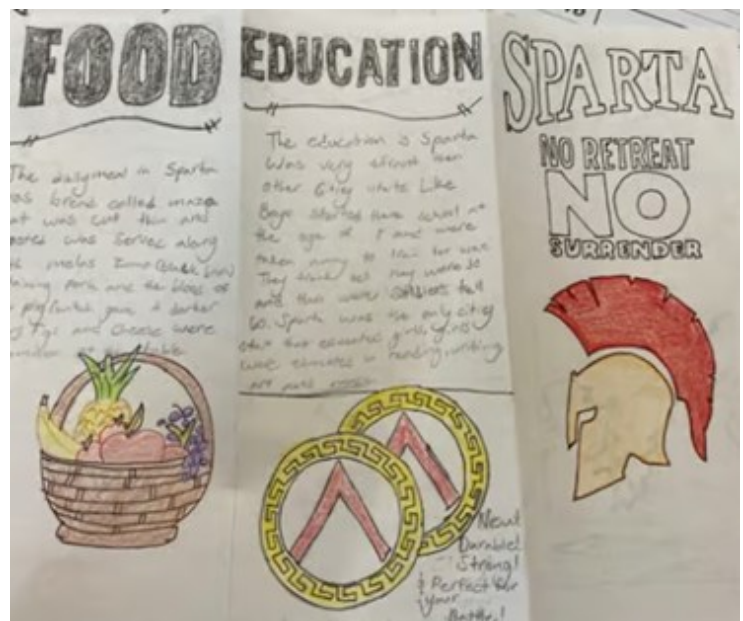

The groups then shared their observations and talked about how the rocks were similar or different based on these properties.

## Year 4

As part of our **Ancient Greece** topic, Year 4 have enjoyed learning about the rivalry between Athens and Sparta. Athens and Sparta were two city states who went to war against each other. We enjoyed looking at the differences between the two sides and designed posters to show what we have learnt!

## Athens Vs. Sparta

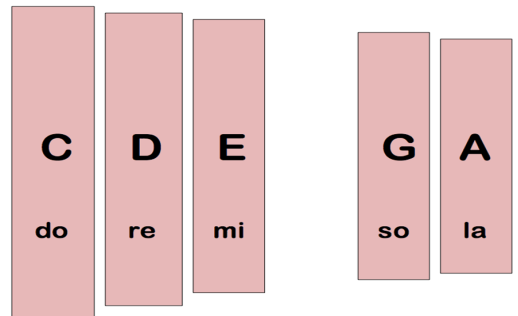

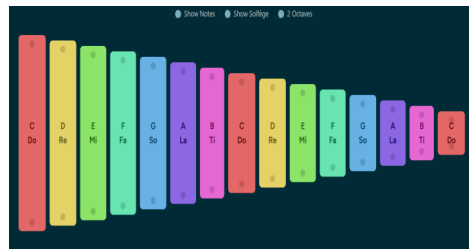

## Year 5

In Music this half term, Year Five have been building on our previous musical skills to begin exploring **improvising and composing sections of music** based on different genres of music.

We did this by practicing on the school's glockenspiels or opting to use our iPads through the a specialist music website. Our teachers advised and modelled different notes that we could combine from the pentatonic scale, helping us to maintain a constant beat.

The melodies we created accompanied an orchestral piece called, Breathe, which we will be sharing as performances and tablature with our class mates next week.

## Year 6

This week, Year 6 had the opportunity to analyse features, discuss and plan a **diary entry**. Pupils crafted a diary entry from Rose Blanche's perspective (who is the protagonist in class novel).

13 January 1943

Dear Diary,

I stumbled across something peculiar today. I followed an army vehicle, which led my me to an abandoned building with broken windows and surrounding it was an electric fence. I know I shouldn't have followed it, but living inside were hundreds of children. Yes, you read it right. Children! All I could hear was their cries for food. Sadly, I didn't have any. Feeling guilty, I left. Knowing I had to come up with a plan.

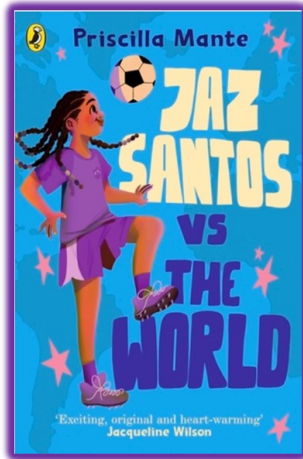

20 January 1943

Dear diary Diary,

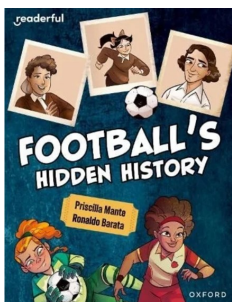

Today, I nearly got caught. I was walking home when I saw the cat Mayor. I clutched my satchel and started to walk home as fast as I could, but then he stopped me and asked, "What is in that bulky satchel?"
