## Summer Term 1 Bumper Edition

Friday 25th May 2018

Hello everyone,

What a way to end a lovely sunny week with a downpour! I must admit gardens were looking a bit parched but the children (and lots of parents) were drenched when they arrived this morning. Remember not to arrive too early when the weather is poor—we do let the children into school early but they can get very wet waiting to come in if you are too early.

I hope you have a great half term and the weather improves! Well done to all the children who sat tests this term—they did the school proud and can now have a well-deserved rest.

See you all on the 4th of June at 8.45 am.

Sue Simmons, Headteacher.

### Twycross Zoo Year 5 Trip

Year 5 had a fantastic trip to Twycross Zoo last Friday. They learnt about the different animals and particularly the habitats and biomes that the animals originate from (challenge ANY Year 5 child to tell you the difference between a habitat and a biome!). The children enjoyed seeing the penguins being fed and watching them swim underwater! Sana Z's favourite moment was visiting the gibbon house.

### Parent Governor Elections

Following our recent parent governor elections I am delighted to let you know that Mr Zalal Choudhury was elected parent Governor at Thornton with immediate effect.

Thank you to everyone who voted in the election. The Governors are looking forward to welcoming their new member at the next meeting in July.

We are sure that Mr Choudhury will work with the school to ensure we continue to improve and provide an outstanding education for your children.

## The GDPR and Thornton Primary School

Dear Parents,

We have updated our policies and privacy notices which are now on the school website. I would like to ask you to read and understand the school's [privacy notice](#). It is vital that you have read and understand the privacy notice, as the school wants to ensure that you understand what we are doing with your data and that you know we are acting legally.

If you have any questions about GDPR, you can contact the Information Commissioner's Office on 0303 123 1113 or by using their [live chat](#), or you can visit their [Guide to the General Data Protection Regulation](#) webpage. You are also welcome to direct any questions you have to our Data Protection Officer, Mrs Hameeda Ahmed, the school business manager.

This project is targeted at pupils with attendance below 90% and the main aim is to reward pupils for the achievement of attending school every day plus your child will be much happier and settled if they attend school every day consistently without taking any days off.
