

Summer Creative Curriculum Homework

For the new Year 4 - Pharaohs

C		Make a 3D model pyramid from building blocks. How high can you go? Photograph your achievement and record the number of blocks you used.	
R		Create a fact file about the River Nile . Include photographs and wow your classmates by showing them the range of amazing animals that live in and by the river.	
E		Visit the Birmingham Museum and Art Gallery in the city centre and explore the exhibition on ancient Egypt. You could take your sketch book with you and draw while you're there. It is free to enter and explore.	
A		Create your own Canopic Jar . Watch the video below and find out more information about Canopic jars and how the Egyptian used them.	
T		Watch the video and write a set of instructions to explain the process of how to make an Egyptian Mummy .	
I		Create a PowerPoint about Tutankhamun. Find out who Tutankhamun was and how he became an Egyptian Pharaoh.	
V		Watch this video and write down any new vocabulary that you learn about ancient Egypt.	
E		Use hieroglyphics to write a message to a friend or family member. Can they crack your Egyptian code?
