A message from the Year 5 team.

Weekly Maths Tasks (Aim to do 1 per day)

- Logon to [Times Table Rockstars](#) and try and move up the school leader board! Your login details are in your school planner.

- Play on [Hit the Button](#) - focus on times tables, division facts and squared numbers.
- Daily [arithmetic](#) for different areas of maths. Your child should aim to work on level 4, 5 and 6 activities.
- [White Rose Maths](#) – New lessons each week with video tutorials and resources to help you support your child's learning.
- Complete the set of reasoning problems on properties of shape.
- Complete the arithmetic quiz. Ask an adult to mark your answers.
- Logon on to MyMaths and complete the day's work. This week there are five activities, each of them about angles.

Weekly Reading Tasks (Aim to do 1 per day)

- Ask your child to read a chapter from their home reading book or a book that they have borrowed from the library. After your child has read a chapter of their book you could:
 - Write a summary of the chapter.
 - Note down and discuss any new vocabulary you identified. Use a dictionary if you're stuck.
 - Regularly discuss predictions for the next chapter and the end of the book.
- Challenge your child to read something around the house that isn't a book. They can then complete their reading diary following this.
- Watch [Newsround](#) and discuss what is happening in the wider world.
- Listen to David Walliams free audio books daily <https://www.worldofdavidwalliams.com/elevenses/>
- Keep accessing Reading Plus! You should aim for two reading lessons and two vocabulary lessons each week.

Weekly Spelling Tasks (Aim to do 1 per day)

- This week's spellings are from the list of spellings for Year 5/6 children. They are: **accompany, according, achieve, aggressive, amateur, ancient, apparent, appreciate, attached, available and average.**
- Write a **synonym** (a word with exactly the same or similar meaning), an **antonym** (a word with the opposite meaning), the **meaning** and an **example** of how to use the word in a sentence.
- Write these spellings in some silly sentences, bubble letters or picture words.
- Play one of these [Spelling Games](#) to help you master the ten spellings.
- Get someone to test you on this week's Year 5/6 spellings.
- Proofread your writing from the day. You can use a dictionary to check the spelling of any words that they found challenging. This will also enable you to check that the meaning of the word is suitable for the sentence. You can use this [Online dictionary](#)

Weekly Writing Tasks (Aim to do 1 per day)

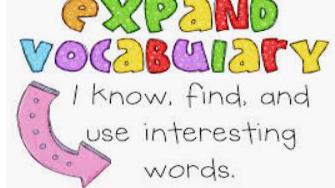

- Watch [Newsround](#) with your child. Get them to write a news report on a topic that interested them.
- Write a recount of your day, like a diary entry. This could be used in history one day to show what happened during this period. Use this [BBC recount video](#) to help you.
- [BBC bitesize](#) have lots of videos and lessons you can do daily.
- Complete the SPaG activities. There is one set of questions each day on commands, statements and questions (if you're feeling unsure) or clauses, phrase and parenthesis if you're feeling more confident.
- Greater depth writing activities can be found on the [Talk 4 Writing](#) website.

Talk4Writing

Creative Homework – choose different elements to complete throughout the week

Creative Homework aims to provide opportunities for your child to gain a better understanding of their new topic. Learning may focus on the different areas of the curriculum and provides your child with the flexibility to lead their own learning. This week we are continuing our work on allotments. The children will start to think about growing their own vegetables and cooking some delicious food.

C		Use the vegetables you have at home to create a yummy meal. It could be a soup, salad or side dish – anything you like! You could use this recipe website for inspiration https://www.bbcgoodfood.com/recipes/category/vegetables
R		Different vegetables can be planted at different times of the year. Research which vegetables you will be able to plant in your garden or in pots. https://www.allotment-garden.org/garden-advice-month/fruit-vegetable-growing-may/
E		Have a look in your kitchen, including the fridge and cupboards. Do you know what all the fruits, herbs and vegetables are? Ask an adult how they are used to create your favourite meals.
A		Sketch whatever wildlife or nature you can see from your window. Tip! You could take a picture while taking your daily exercise and bring it home with you to finish your sketch there.
T		Watch this great guide on how you can grow your own vegetables! https://watchkin.com/20f38b4244 You can buy everything you need the next time you are able to go to your nearest market or supermarket.
I		Use a search engine to help you write a shopping list for any seeds, fruits, vegetables, pots or soil you might need to help you start growing your own!
V		Create your own glossary. Find 10 key words and their definitions associated with this topic. <u>Features of a glossary</u> - Include difficult words that need a definition - Words are bold or underlined - They are in alphabetic order
E		Explain in your own words something you have learned.

Additional learning resources parents may wish to engage with

Classroom Secrets Learning Packs - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

Twinkl - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

Twitter - Follow Thornton Primary School to see updates, messages from staff and daily and weekly challenges for pupils.

Thank you for your continued help and support.
