Dear Parents/Carers of Sladefield Infants and Thornton School

RE: Parents Working Party RSE Update

It's been a while since our last correspondence to you all, and we wanted to update you on the workings of the RSE Working Party, made up of Senior Leaders and staff leading on the RSE Curriculum from both schools, as well as parent representatives.

The Working Party has been working with both schools to approve the PSHE scheme of work that the schools have put forward. The intents and purposes of the joint meetings completed over the course of the last two academic years (even throughout the lockdown) was for the Working Party (as the representative body for the parents collectively) to analyse the curriculum and the materials being used to supplement the teaching programme, and to ensure that no content was deemed offensive or inappropriate in any respect.

To better inform you of the curriculum and associated materials being used to deliver the PSHE curriculum, there will be a series of online meetings hosted by both schools specific to each year group. Listed below is a timetable of the scheduled sessions for each year group, for both schools.

We strongly urge you to make every effort to participate and offer feedback. The Working Party would appreciate any comments/feedback which you may have so we can ensure it is taken note of.

If you are unable to contact a member of the Working Party you can leave your comments/feedback in an envelope marked for the attention of either myself (Mr Sajad Akram-Chair of working Party) or Mrs Obaida Javed (Vice-Chair) at either school Office.

Kind Regards

Sajad Akram
