Thursday 20th June 2019

Dear parents and carers of the children,

This week I have been really disappointed with some of the language that children have been using and the unkindness that children have shown to their classmates and friends. At Thornton we pride ourselves in having a safe and friendly school where everyone has respect for one another. I know that these are values you also hold dear so I would ask you to speak to your children over this weekend and remind them of your and our expectations. We will be doing some lessons and assemblies with the children to reinforce these expectations but your support would be greatly appreciated.

Please join us tomorrow for our Eid Mela—at last we are able to celebrate with you and your families this special time. School closes at 2.30pm for everyone and the Mela will start immediately in the main hall and central play area. Please find your flier to get a free go on a game and our bouncy castle or assault course.

Sue Simmons, Headteacher.

Year 6 Kingswood Residential

A big thank you to Mr Hulbert, who along with Ms Evans, Mr Wareing and Mrs Easthope (and a cameo appearance from Mr Bates), organised and took 44 year 6 children on the Kingswood residential this week. The children were able to experience new challenges, test their resilience and further develop their independence before heading off to Secondary school in September. Children zipped down the 10m high zip wire, took a leap of faith on the rope activities and showed great team work on the Nightline (not in any way hampered by Mr Hulbert, Mr Bates and Mrs Easthope with water pistols and buckets of course!).

IMPORTANT NOTICE

Our Thornton/Sladefield working party have been working hard with both schools to develop our approach to Healthy Relationships in line with the new government legislation.

Please join them on Tuesday 9th July 2019 @ 9.00 a.m. in Thornton School Hall when you can

find out what has been done so far and look at materials they have used and developed. More information coming soon!
