Friday 16th November 2018

Hello everyone!

Thank you so much everyone for the brilliant support we have received in fundraising for Children in Need this week. Its great to see so many children (and grown ups!) wearing their PJs around school today, many complimented by some very cute Pudsey ears and to welcome so many happy faces to the coffee morning! Continuing our success story , a special well done to everyone in year 4 for completing their level 1 Bikeability award! We are proud of the children for embracing their growth mindset approach to challenges and showing determination and resilience in learning new skills to keep them safe. We very much look forward to the whole school achieving this by the end of the term! And finally as we continue to work hard this term, we are delighted to let you know that our Friends of Thornton parent group are busy planning the Christmas fair. Watch this space for an announcement!

Have a great weekend everyone! Cathy Grace , Deputy Headteacher
