Hello Everyone

Welcome back everyone, I hope you had a wonderful break. We've had a busy start to the half term with Years Two and Six preparing for their SATs in the upcoming weeks.

A huge well done to all the Year Three children and staff who performed their Islamic celebration today and thank you to the parents who braved the weather to support the children and school.

Have a lovely bank holiday weekend, school will reopen on Tuesday 7th May at 8.45am.

Year 3 Islamic Assembly

On Friday morning Year 3 performed their Islamic Celebration Assembly for our parents, and what an assembly it was! Our fabulous actors were filled with confidence and performed their lines clearly and with great personality. Our dancers had worked so hard practicing their routine and they looked the part in their outfits. Our nasheed performers again showed confidence and clarity with their lines. Thank you to our Year 3 choir who sang beautifully and looked great in their Eid clothing. Mrs Bevan, our long standing Teaching Assistant in Year 3, has been practicing the songs each week with the children and they have thoroughly enjoyed it, as has she! A fun filled, and also informative performance, thank you Year 3.

We appreciate everyone for coming to watch the assembly and for supporting us so well, as always.

100% Attendance Spring Term Reward Magic Bob's Magic Show

Well done to the 259 pupils who achieved 100% attendance during the Spring Term. The children were rewarded with a superb magician show by Magic Bob today. The children thoroughly enjoyed the show and had a lot of fun getting involved in the magic tricks. We are in the process of organising the Summer Term attendance Reward. Good Luck everyone!

Poet AF. Harrold Visit

On Thursday 21st May, poet AF. Harrold will be joining us in school. He will be sharing some of his hilarious poetry in assemblies (and maybe we will get to share some of our verse with him!) Some lucky people will find themselves working with Harrold who will use his expertise to help them create poetry in workshops that he is leading. After school, there will be an opportunity to buy some of his books and even get them signed by the author. It's sure to be a fascinating and inspirational day. Watch this space for further details.
